

PERSATUAN KEBANGSAAN KONKRIT SIAP BANCUH MALAYSIA

NATIONAL READY-MIXED CONCRETE ASSOCIATION OF MALAYSIA

Joining as A Member to The National Ready-Mixed Concrete Association of Malaysia

To join the National Ready-Mixed Concrete Association of Malaysia (NRMCA) as a member, a company would have to pay RM1,000 for Entrance Fees (one-time basis) and RM2,000 for Annual Subscription Fees payable in January each year. (Annual Subscription fees for the first year only of joining will be pro rate accordingly)

National Ready-Mixed Concrete Association of Malaysia (NRMCA) had embarked since 2001 to focus on conducting technical trainings on concrete technology. Our courses are suitable for all those who are employed in the concrete industry to gain basic knowledge in regard to the industry they are employed. Driver Professional Motivation Course specially tailored suit to train drivers for the ready mixed concrete industry.

The following trainings are currently conducted by NRMCA on a regular basis.

- 1) "Introduction to Concrete Technology" a 1-day a full theory/classroom-based training.
- 2) "Concrete Technology Materials, Mix Design & Remedies, for Defects in Concrete a 2-days, theory/classroom-based training.
- 3) "Concrete Defects: Testing and Repairs a 2-days, theory/classroom-based training
- 4) "Module 1 Workshop on Testing of Concrete in Existing Structures (Basic) a 2-days, 1.5 days theory and half day lab/practical training.
- 5) "Module 2 Defects, Faults & Failures in Concrete Structures: Diagnosis & Remedies (Basic) a 2-days, theory-based training.
- 6) "Certificate for Batchers Level 1" a 1-day a full theory/classroom-based training.
- 7) "Sales & Marketing for Competitiveness in a Customer Driven Age" a 2-days theory/classroom-based training.
